

## ceramic soleplate 6 bar steam generator Iron

powerful and efficient ironing for im-  
peccable results

The H.Koenig V28 steam generator iron allows simple and efficient ironing thanks to its 6 bar steam pressure and ceramic base.

Ready for use in under a minute, the V28 incorporates the new «unlimited autonomy» technology allowing for the tank to be filled while in use.

The vertical steam function makes possible to iron creased curtains and clothes directly on hangers.

Its «Anti-limescale collector» function recovers scaling and guarantees a longer product life.

Choose the V28 iron steam station for powerful and fast ironing!
