

iron steam station ceramic soleplate 3.5 bar

Get rid of all creases

The H.Koenig iron steam station V32 offers an efficient ironing with a power of 3.5 bar, a steam flow rate of 100g/min. It is easy to use thanks to its ceramic soleplate that slides easily on your fabric. Ready to use in less than a minute, the V32 incorporates the new «unlimited autonomy» technology allowing its large capacity tank to be filled with 2 litres at any time.

You can also adjust the temperature according to the type of fabric you want to iron thanks to its manual setting.

Useful with its multiple functions such as automatic shut-off, water tank indicator, pressing function and vertical creasing.

This iron steam station is very complete and even allows you to iron your curtains and clothes directly on hangers.
