

## iron steam station ceramic soleplate 6 bar

Quick and efficient ironing that eliminates the most stubborn creases

The H.Koenig V34 iron steam station offers an efficient ironing with a power of 6 bar, a steam flow rate of 90g/min and an easy use thanks to its ceramic soleplate that easily glides on your fabric. Ready for use in less than a minute, the V34 incorporates the new «unlimited autonomy» technology allowing for its large capacity tank to be filled with 2 litres of water at any time for continuous and powerful steam.

You can adjust the temperature according to the type of fabric you want to iron thanks to its manual setting. Useful with its multiple functions such as automatic shut-off, water tank indicator, pressing function and vertical creasing. This iron steam station is very complete and even allows you to smooth your curtains and clothes directly on hangers.

Choose the H.Koenig V34 iron steam station for fast and powerful ironing!
