

## raclette and natural stone for 8 persons wooden design

Organize a traditional raclette party

Modern and authentic with its wooden design, the raclette machine WOD12 is perfect for evening gathering in front of chimney fires.

Powerful with its 1200 watts, use both the mini-pans and the cooking stone for cheerful and creative meals. The WOD12 has an on/off button for an easy and safe set up and clear up after eating. Use both the raclette machine and the granite plaque to cook all your ingredients.

The lower glass plate allows you to install your mini pans to cook quicker and adds a touch of modernity to the machine.

Thanks to its detachable plaque and non-sticky mini pans, the WOD12 is easy to clean.

It is perfect for dinners with friends and family.
