

VERTICAL SLOW JUICER

The H.Koenig GSX18 vertical slow juicer allows to enjoy fresh, healthy and full of flavors juices.

Start making homemade fruit but also vegetable juices, while preserving all their vitamins and their natural tastes.

Its gentle squeezing technology with a slow speed and bladeless propellers ensure the quality of the juice with a maximum of nutrient intakes, without altering the fruits benefits and with a minimum of waste.

You no longer need to cut your fruits in pieces, its extra-large nozzle and its one liter capacity allow you to extract your juices in large quantities in a snap.

Easy cleaning thanks to its removable pieces. Silent while operating, the GSX18 will be quickly forgotten.

The vertical slow juicer GSX18, your new healthy ally!
