

## ICE CREAM MAKER

Prepare your home made sorbets and ice creams in 30 to 40 minutes with the H.Koenig HF180 Ice Cream Maker. You don't need to leave the bowl overnight in the freezer anymore!

User-friendly, all buttons on the HF180 are touch-sensitive. It has a digital display and comes with a 1L aluminum removable bowl.

This ice cream maker will prepare your delicious and creamy ice cream thanks to its integrated refrigeration unit, similar to the professional devices. Simply pour the mixture in the bowl and press the button, your ice cream maker will do the rest.

**Lets make homemade ice creams all over the summer time! And even after work...**
