

## ICE CREAM MAKER

Prepare your home made sorbets and ice creams in 30 to 40 minutes.

User-friendly, all buttons on the H.Koenig HF250 ice cream maker are touch-sensitive, it has a digital display and comes with a 1.5L aluminum removable bowl.

The HF250 will prepare your delicious and creamy ice cream quickly thanks to its integrated refrigeration unit, similar to professional devices. Simply pour the mixture in the bowl and press the button, your ice cream maker will do the rest.

**Lets make homemade ice creams all over the summer time! And even after works!**
