

# Automatic Coffee maker

What about starting your day with a delicious freshly brewed coffee, made of freshly ground coffee beans?

The MG10 allows you to prepare up to 10 cups of coffee thanks to its water tank of 1.5L.

It automatically grinds the beans right before brewing, to produce a fresh and flavorful coffee, but you can also use ground coffee.

You can program your device to obtain freshly brewed coffee whenever you want.

The MG10 is a very high-performance coffee maker including full technical options as : anti-drip system, automatic stop , keep warm function ...

**Enjoy a delicious freshly brewed coffee anytime, made of freshly ground coffee beans !**
