

4 in 1 Hand Blender

A blender that helps you with all your cooking? This is possible with the H.Koenig MIX75 4 in 1 hand blender.

With its puree accessory you can easily create perfect homemade mash without breaking the potato fibres. You can finely chop all your herbs with its chopper, harden your egg whites with the whisk, achieve creamy soups or prepare baby meals with its plunging mixer!

Its ergonomic «anti-slide» handle allows a quick and comfortable usage.

The H.Koenig MIX75 4 in 1 blender: your new daily ally !
