

# BLENDER KUBE KRASHER

Do you want to enjoy your smoothies, milkshake and cocktails with ice crushed?

Put 5 ice cubes in the blender, push the Ice button, add your fruits (strawberry, pineapple, banana...), mix it and it is ready!

Thanks to the Kube Krasher function, the MXK30 will allow you to crush your ice cubes adding freshness to your homemade recipes.

The 1,5L capacity of the graduated glass bowl, the 3 pre-program settings including the pulse function, make of the MXK30 one of the most performing appliances in its category.

**A powerful and multifunctional blender for preparations always successful!**
