

HANDHELD STEAM CLEANER

Looking for a smart, handy and ecological steam cleaner? Its 1000W power and 4.2 bars of pressure make the NV60 a very efficient handheld steam cleaner. Its small size and weight will make it handy and allow you to use and store it easily.

Its various tips will help you clean all types of surfaces: kitchen, bathroom, windows, including out-of reach points.

Steam cleaning is a natural and ecological way of cleaning, avoiding any chemical product. The hot pressured steam will eliminate dirt and germs efficiently.

Thanks to its safety valve, its usage is safe and user-friendly.

H.Koenig NV60 handheld steam cleaner, an essential tool for the daily maintenance of your home!
