

Canister Steam Cleaner

Looking for a strong ecological and powerful steam cleaner ?

Thanks to our new H.Koenig NV6800 steam cleaner you will no longer need to use expensive products that are harmful for health and environment

With its high-pressure steam of 4 bars you will be able to clean everything (dirt, grease, dust) effortlessly and in a minimum of time. If you want to eliminate dust mites (which are responsible for many allergies) and bacteria, the NV6800 is the perfect device for you.

The NV6800 comes with a professional style steam iron which can be connected to the unit.

Powerful, strong and easy to use, the NV6800 will soon become your new ally at home.
