

Bagless vacuum cleaner Silence + / Cats & Dogs

Cats & Dogs

SILENCE +

Looking for a vacuum cleaner to get rid of the hairs of your quadruped friends ? This is possible with the new H.Koenig SLC85 bagless vacuum Silence + / Cats & Dogs SLC85.

Forget clogged dust bags that depress the aspiration, the SLC85 uses its cyclones to propel dust and dirt in order to send them directly to the transparent container.

Its suction power and HEPA filter will help you fight against mites and allergies on all surfaces.

Its turbo brush grabs all the hairs even on car seats. Its grooming brush has been specifically designed to be used on your pet and will save you time by acting before the hairs are dispersed throughout the house. Very discreet with its multi-cyclonic silent technology: it does not frighten your pets !

Its removable transparent container disassembles easily, so that you can empty it in no time.

The bagless H.KOENIG vacuum cleaner SLC85 Silence + Cats & Dogs : your new daily ally !
