

VACUUM FOOD SEALER

Discover a new way to preserve your food while saving time and money. Thanks to the H.Koenig SSV24 vacuum sealer, you can preserve the nutritional values, flavors and freshness of the food. By evacuating the air and closing hermetically, you avoid the oxidation.

As a result, the bacteria proliferation is stopped and you can then preserve your food longer in the freezer, fridge or in your kitchen cupboard.

Forget food waste: you can store your leftovers. You can also prepare in advance all your meals for a time saving. All your food like vegetables, meat or again fish can be vacuum packed.

The SSV24 is supplied with 20 hand washable bags and 1 suction roll.

With the SSV24 vacuum sealer, fully enjoy your food!
