

GRILL- TOASTER SPECIAL BAGUETTES

Would you like to wake up with a delicious smell of toasted bread? It is possible with the H.Koenig TOS28!

Thanks to its length, the TOS28 toaster allows you to toast either 2 slices of baguette, 2 slices of country bread or 4 slices of sandwich loaf.

With the 7 thermostat positions, you can adjust the toasting of your bread according to your wishes. The Toaster TOS28 also allows you to defrost or reheat your slices if needed.

Practical and functional with the system "immediate shut down" and the "extra high go up", you can stop the TOS28 at any time avoiding the risk of burning. Easy to clean with its crumb tray.

The H.Koenig TOS28: the perfect toaster for your breakfast!
