

IRON STEAM STATION 5BAR

Looking for a powerful and efficient iron system for a perfect result?

With its 5bar and its ceramic soleplate, the H.Koenig V24 iron steam station allows a simple and efficient ironing.

Very convenient: its vertical steam function allows you to iron your clothes directly on the hanger but also your curtains.

Its anti-calc collector function collects the tartar directly in the box.

Ready to use in less than one minute, the V24 includes the new "unlimited autonomy" technology permitting to fill it while it is in use.

The H.Koenig V24 iron steam station, your new ally for an easy ironing!
