

# IRON STEAM STATION «CERAMIC» SOLEPLATE

Looking for a fast and easy ironing system that gives you perfect results? This is possible with the H.Koenig V85 steam station which has unlimited autonomy.

With its 90g/min continuous steam flow, its high power and its ceramic soleplate, the V85 steam station allows a simple and efficient ironing. Its vertical steam system even irons your clothes on hangers!

Ready in 3 minutes, the V85 includes the new «unlimited autonomy» technology allowing it to be filled while in use.

The anti-calc system prevents limescale so don't bother using anything other than tap water! Easy to store with its carrying handle.

**The H.Koenig V85 steam station: your next daily ally!**
