

STEAM COOKER BLENDER

Baby Boo

Would you like to prepare healthy and homemade baby meals? The BB80 Baby Boo by H.Koenig is the solution!

Let your child discover the natural flavors and enjoy the nutritional food benefits thanks to the BB80. Precursor with its BPA free glass pot, it guarantees a healthy use.

It is composed with a steam cooker and a blender to prepare all your child's meals, with a preparation time between 15 and 25min. Save your time with the BB80: you will no longer need to use a steamer thanks to its unique system of perforated blade.

With its 10 automatic programs and its manual function, you can cook and blend all your vegetables, fruits, meats or fishes recommended for its growth. Thanks to its high capacity of 950ml, you can prepare and preserve several meals.

The BB80 Baby Boo, the must-have steam cooker blender to prepare your child meals!
