

HKoenig

kub14

ice cube maker

you'll never be short
on ice cubes again

The H.Koenig KUB14 ice cube maker is the perfect device for refreshing your summer drinks.

Fast, the machine produces 8 ice cubes every 7 to 9 minutes and up to 12kg per day.

Ice production is automatic and easy to control thanks to the integrated LCD display and transparent lid.

Useful, you can choose from two sizes of ice cubes to suit your needs. Serve them easily thanks to the ice scoop supplied or the removable ice tray.

The KUB14 is also ideal for refilling coolers, essential for summer evenings and picnics. The compact KUB14 is easy to store and won't clutter up your countertop.
