

robot vacuum cleaner

Independent and intelligent, the robot vacuum cleaner will do it for you

The H.Koenig SWR22 uses the latest technology of robot vacuum cleaners controlled by a smart program.

Thanks to its ideal dimensions, the SWR22 will weave its way in every corner of your home.

Using its several sensors, it identifies empty space and obstacles, to always clean more efficiently.

Independent, the SWR22 goes automatically back to its charging base when the entire surface has been cleaned.

Its dual brush system allows it to be more efficient.

Choose the SWR22 robot vacuum cleaner easy and powerful that makes your life easier!
