

PROGRAMMABLE STEWARD COFFEE MAKER

Looking for a hot freshly brewed coffee at any moment of the day? It's possible with the H.Koenig STW25 programmable coffee maker.

Inspired by professional coffee makers used in planes, the steward coffee maker has an isotherm coffee jug in stainless-steel that will keep your coffee hot while preserving all the aromas.

Start your day with a cup of hot freshly brewed coffee thanks to its programmable clock.

With its water tank of 1.5L you will be able to prepare up to 15 cups of coffee.

Its anti-drip system, performance and robustness make the STW25 the perfect device for your office!

The STW25 steward coffee maker will soon become essential in your everyday life!
